Club

Combining matte and shiny chenille, Club fuses sophistication and Mediterranean colours in an understated design language, while requiring minimal maintenance for a long, useful life.

N° 119

Moulin

It all starts with a particular yarn called *mouliné*, which combines multiple strands of threads. Composed of two differently coloured yarns, the two shades embrace each other to create an oscillating depth.

We design, we weave, we dye, we finish.
In short, we create. Our expertise
comes from understanding every
aspect of fabrics.

We are born and bred in Terrassa,
a small town close to Barcelona and
home to innovative textile production
since the late 19th century.

It continues to be a place of respect
for tradition, people and excellence in
cultivating sustainable technologies.
