The variations in weave, shading, slubs, and texture give this product its unique personality and are desirable characteristics. Cotton and viscose are materials whose fibers tend to shred, this effect is part of the fabric's nature. Slight colour variations may occur from batch to batch.</p> <p>Attention When confectioning or washing a sofa cover with velcro, attach a protective strip to avoid damage to the fabric.</p>	<p>Environmental composition</p>  <p>Recycled yarn 46%</p> <ul style="list-style-type: none"> GRS Recycled PET bottles 27% GRS Recycled CO waste 10% Circular yarn from own waste 9% <p>Standard yarn 54%</p> <ul style="list-style-type: none"> Low-impact yarn (PP) 23% CO yarn 15% CV yarn 16% <p>Sustainability</p> <ul style="list-style-type: none"> Oeko-tex certified REACH approved chemicals and dyes Biocide and PFCs free Zero-waste production Manufactured under ISO 9001 and ISO 14001 standards Made in Barcelona (EU)
